  - Wreath making and selling for fundraising for Troop 107
  - Fun Fairs and Book Fairs at Grafton Public Schools

Dear Adams-Budz Veterans of Foreign Wars (VFW) Scholarship Committee,

I am writing to express my deep appreciation for the sacrifices made by our military veterans and to share my personal connection to the armed forces. My grandfather, Ronald Bisiewicz, served in the United States Air Force, and his dedication to our country has inspired me in numerous ways. Growing up hearing his stories and witnessing his commitment to service has instilled in me a profound respect for the men and women who serve our nation. Their selflessness and bravery have not only protected our freedoms but also shaped my values of honor, integrity, and patriotism.

One of my most cherished traditions is attending the Memorial Day parades in Great Barrington and Housatonic with my family. These parades hold a special place in my heart as they honor the courageous individuals who have served and sacrificed for our country. I also love cheering for my grandfather and the other members of the VFW. The sight of veterans marching proudly and the community coming together to express gratitude and remembrance is always so incredibly moving, especially the ceremony in the Housatonic Cemetery. These experiences have fueled my desire to contribute to my community through community service opportunities and volunteerism. I attached my resume which highlights the activities I have done while a student in high school.

I thank you for your consideration for the Adams-Budz VFW scholarship to further my education and continue advocating for the values of service, sacrifice, and patriotism that are central to the VFW's mission.
